ARCHITECTURAL REVIEW Comments or conditions:

This page is an agreement set forth by the Architectural Design Review committee and the Developer and owner, signatures are needed.

Developer and owner agree to the following:

- 1. All garbage and a portable refuse device will be used and dumped at regular intervals. If trash escapes fenced area the owner or developer is responsible to pick it up.**
- 2. All changes to the plans given are to be submitted to the Board and Architectural committee in a timely manner and the decision to approve or disapprove within one week of submittal.**
- 3. All plans and landscaping must be completed within one year or an extension must be filed. The Board may charge a fee to be held in escrow until landscape complete to insure compliance.**
- 4. If for some reason work is halted the association will need the area cordoned off for safety and any and all noxious weeds removed. Any and all charges for the above to become a lien upon the property.**
- 5. Work hours must remain at reasonable hours of 8:00am to 6:00pm and no work on Sundays.**
- 6. All work related vehicles to be courteous to neighbors and park within a tight area around the construction zone. If excessive speeds are noticed by worker vehicles, the owner will receive fines placed upon the property.**
