Design Review Form for Landscape changes only

Owner: _____ **Lot:** ____ **Block:** ____

Physical Address: _____

Phone# _____ **Main Address:** _____

Please submit drawing of proposed landscape changes for review. * If removing trees please fill out to best of your ability regarding clearing and all cuts must be hauled off the property and disposed of.

Design review does approvals by email so any submittal by email is very helpful.

Certificates of insurance of contractors doing work on the lot will need to be sent to HOA.

Planting on any easements requires a check in the amount of \$200.00 and may or may not be approved. If denied the money will be refunded. If plantings require changes to existing sprinkler or water on common area, the check will cover costs and refund the remaining.

Please also include total height and width of plantings upon maturity. Trees must be at least 2 inches in diameter upon installation. No Japanese Yew or Aspens are allowed.

Any landscape lighting must be dark sky ordinance compliant and a picture or sample given with form. Any fencing will need sample of material and final color.

Please make sure you will be compliant with City watering ordinances and apply for proper exception for watering if needed at the City of Hailey website.
